### COVID-19 Return to School Risk Assessment & Plan

19.	28/07/20	Student and Staff Wellbeing	Med	<p>Focus on teaching and learning in September will be on the students re-acclimatising to school life. Teacher's main priorities will be their student's safety, wellbeing and happiness.</p> <p>Staff will observe social distancing, while continuing to use the staffroom as a break away from the classroom and a chance to unwind at break times. Open and honest discourse will prevail at meetings. Principal will offer educational/moral support to those in need.</p> <p>Move the staffroom to the prefab initially as it will be empty and is a much larger space.</p>	Aoife		04/09/20
20.	28/07/20	Very High Risk Staff / Students	Med	<p>No such case is envisaged in Boolavogue National School. If a situation arises where a student is not in a position to attend school physically and the school is provided with a certificate from a medical profession stating they are in the Very High Risk Category, the class teacher will work with the SET to create a plan to support learning at home. They will arrange distribution of useful resources to the home.</p> <p>Should a staff member be in a similar position and unable to physically work in the school building, the school will follow DES directive.</p>	Aoife		04/09/20
21.	28/07/20	Localised closure	Med	<p>Breaking the school into Bubbles and Pods, should minimise the need for a localised school closure. Nevertheless, should the situation arise we will engage in daily distance learning. Staff will conduct online meetings over Zoom to agree best practise.</p> <p>A SeeSaw account (online learning platform) will be set up for each class teacher to use.</p>	Aoife		04/09/20
